Orienteering is all about the map, not the compass! It's the sport of navigating in unknown terrain using a detailed map.

This event has short, easy courses for youngsters and longer, more challenging courses for adults.

Bring your family on the day between 09:00 and 10:30, wear sensible shoes and sun protection. Bring water and a compass if you have one. If you are planning to bring a group, please let us know so that we can print extra maps.
